High Holy Days Childcare Registration

Childcare is available by pre-paid registration, for children aged 2 to 6, during each High Holy Day Service. Snacks and age-appropriate projects with High Holy Day themes are provided. Children are brought into the Sanctuary as a group to hear the blowing of the Shofar. Space is limited, so please return your registration form as soon as possible. Sorry, we're not able to accommodate children who are not pre-registered.

Registration DEADLINE: Monday, August 23, 2010

Please fill in the form below with your child's name and age and check each service for which your child will be attending childcare. The cost of each childcare session is \$25 for Temple Member's children and \$35 per session for non-Member's children. Please multiply the total number of childcare sessions by the appropriate fee and return this form with your check, made payable to Beth Shir Sholom, to the Temple office no later than September 15th. Thank you!
